PARTICIPANT EVALUATION OF A LEARNING EVENT
~A POST INTERVIEW QUESTIONNAIRE~
Sun Country Health Region, IPCP&LE Initiative

Dear Team Member:
Please take a few minutes to thoughtfully answer these questions in regard to your recent participation in a professional development learning event. This evaluation should take about 5-10 minutes to complete. Your opinions are very important. Your assistance in this matter is greatly appreciated.

---

1. Has attending this event help you better understand some particular ideas, concepts, research, and/or competencies about Collaborative Practice? Please describe.

2. Is there an idea/approach/concept from the event that you would like to back to your workplace/team? Please explain how and why you would be interested in integrating this new approach into your work.

3. Has this event provoked any interest in a specific area of Collaborative Practice? Describe the area/topic. Do you have any ideas on how you would like to receive this information (for yourself and for your team)?

4. Overall, has attending this event furthered/extended your knowledge of Collaborative Practice and/or increased your awareness and its value in patient-centred care? Explain.

THANK YOU FOR YOUR VALUABLE INPUT!
